

TRAK's Thanksgiving Dinner: The Baster has Been Passed!

Judi Farley, with the support, encouragement, and assistance from her friends Ann Robison, Blair Clement, and Janet Dwelley, has come forward and taken the reins for Thanksgiving Dinner in Thomaston. The Thomaston ladies have been friends for years, and had thought doing a dinner like this would be fun – one day. When they read that “one day” had arrived, Judi contacted outgoing TRAK (Thomaston Random Acts of Kindness) chair Prudy Netzorg and asked if the opportunity were still available.

When assured that it was, the wheels were quickly put into motion. “Judi is doing a great job getting this dinner organized,” Netzorg said. “For our regular diners, you won't notice much different from the dinners of previous years. She is following the same menu and activities, time and location. She is bringing contagious enthusiasm for the dinner. Phil (Netzorg) and I couldn't be happier to 'pass the baster' to Judi, Ann, Blair and Janet.”

Thomaston's Community Thanksgiving Dinner will be served at 12 noon at The Federated Church on Hyler Street. There will be games, cribbage and the jigsaw puzzle; music; delicious food; and “family.”

Reservations aren't required, but if know you're planning to come, please call the Town Office at 354-6107 and give them your name and the number you expect to be in your group so Judi can plan accordingly.

And, if you'd like to participate in any way (volunteer to help serve tables, donate a dessert [gluten-free is always looked for, but pies of any type are appreciated greatly], help set up on Wednesday, or anything you think of), please call Judi at 390-1848 and leave a message. She'll get back to you as soon as possible.
